Scholarship Grade Policy

The number of hours in which a scholar can enroll the next semester may be limited,

If a grade of “D” is received:
✓ The scholarship will not pay for the class again.

If a grade of “F” (fail) is received:
✓ *The scholar must reimburse the Oklahoma State Regents for Higher Education within one semester.

If a grade of “I” (incomplete) is received:
✓ *The scholar must complete the coursework and have the “I” changed to a passing letter grade prior to the end of the following semester.

If a grade of “W” (withdrawal) is received:
✓ The time of withdrawal will determine if the scholar must reimburse either the college according to the institutions billing policy or *reimburse the Oklahoma State Regents for Higher Education within one semester.

*Scholars will be invoiced for 70% of tuition and fees by the Scholars Program office upon receipt of semester grades by the Scholar Coordinator. The Scholars Program will not pay for a class to be retaken until the scholar invoice has been paid in full. After receipt of initial invoice, contact the Scholars Program office 866-343-3881 or 405-225-9395 to make payment arrangements. If payment arrangements or final payment have not been received within one semester, the scholar will be terminated from the Scholars program.

Note: If a scholar enrolls in or attends class before notice of scholarship approval has been given or without notifying the Scholar Coordinator of their enrollment prior to the semester starting, then the scholar will be solely responsible for tuition, fees and book charges.

R9/12
This agreement includes the child care provider, the child care facility, the Scholars for Excellence in Child Care (Scholars) program, and the Oklahoma State Regents for Higher Education (OSRHE). In the event funds to finance this agreement become unavailable, either in part or in full, due to reduction in appropriations, this agreement may be terminated and such notice will be provided in writing to the parties herein.

Section I:

Administered by the Oklahoma State Regents for Higher Education, the Scholars for Excellence in Child Care program scholarship will:

1. Pay 70% of tuition/fees and 100% of required text books toward CDA courses, a Certificate of Mastery, Director’s Certificate of Completion (Directors & Assistant Directors only), associate of science or arts degree in child development or early childhood education (CD/ECE), Director’s Certificate of Mastery (through OSU-Oklahoma City – Directors, Assistant Directors, and Family Child Care Home Providers only), or an Associate of Applied Science degree in center management or administration (Directors and Assistant Directors only). Note: All financial aid (Pell grant or other financial grants, scholarships, student loans) will be applied toward tuition, fees and books before the Scholars program scholarship.

2. Pay based on enrollment during the first 15 credit hours enrolled, and successful completion of no more than 6 credit hours for the fall semester, 6 credit hours for the spring semester, and 3 credit hours for the summer semester (6-6-3 credit hours). Thereafter, the scholarship will pay based on completion of 9–21 credit hours (during subsequent 3-semester periods) for the remainder of the agreement. - Work in a one-star plus or above, OKDHS or tribal-licensed child care facility with a minimum of 10 percent subsidy children at time of my application

2. Apply for financial aid each academic year and furnish completed FAFSA application documentation to the community college scholar coordinator. Respond promptly to all requests for additional information about FAFSA, SAR, state grants (such as OTAG and SEOG) and scholarships. If awarded, the financial aid (grants, scholarships, student loans, etc.) will be applied toward tuition, fees and books before the Scholars program scholarship. If for some reason, the Scholars program scholarship is applied and pays for the tuition, fees and books before the financial aid is received, I will refund said amount to the Scholars program.

3. During the first 15 credit hours enrolled on scholarship, enroll and successfully complete no more than 6 credit hours for the fall semester, 6 credit hours for the spring semester, and 3 credit hours for the summer semester (6-6-3 credit hours). 5. Submit a class schedule and any changes to enrollment status or class schedule to the community college scholar coordinator or Scholars program office each semester. If changes are not reported, tuition, fees, and book charges may not be covered by the Scholars program.

6. Notify the community college scholar coordinator or Scholars program office of any changes in employment status each semester. If changes are not reported, tuition, fees, and book charges may not be covered by the Scholars program.

7. Submit grades to the community college scholar coordinator or Scholars program office each semester. Payments for the current or next semester are not guaranteed if grades are not received.

8. Pass each class with a "D" or above, and abide by the scholarship grade policy concerning making a "D", "F", "I", or "W". This policy can be found on the Informed Consent and online at www.okhighered.org/scholars/forms/grade-policy.pdf. Note: The institution grade policy may differ from this. The Scholars program will not pay for a class to be retaken.

9. Pay the community college 30% of the cost of tuition and fees (if not covered by financial aid awards) in accordance with the institutional policies. This includes late fees if applicable.

This agreement may be modified in writing, and will remain in full force and effect as long as the scholarship applicant remains eligible for participation in the Scholars for Excellence in Child Care program or at such time as the scholarship applicant decides not to continue his or her educational goals with the scholarship program.

I agree to the terms and conditions set forth above, and will adhere to all Scholars for Excellence in Child Care program policies. In addition, I understand that my scholarship will not be valid until I receive my official notification letter from the Oklahoma State Regents for Higher Education.

Financial Aid

All Scholars for Excellence in Child Care Tuition Scholarship applicants must also apply for the Free Application for Federal Student Aid (FAFSA) each academic year (although you do not have to demonstrate financial need) and submit the FAFSA confirmation page with your scholarship application. First, apply for Federal Student Aid PIN at www.pin.ed.gov. Then complete the FAFSA at www.fafsa.ed.gov.

In addition to the tuition scholarship, you may also qualify for a Federal Pell Grant, SEOG, and/or OTAG. If awarded, all financial grants, scholarships, and student loans will be applied toward tuition, fees and books before the Scholars program scholarship is applied.

Tuition scholarship applications must include one of the following items:

1.) Copy of your FAFSA confirmation page showing “Current Application Status: Processed Successfully”. (This could take up to 3 days to process once you apply.)
2.) Copy of Financial Aid Award (showing if eligible and eligible amount).
3.) Copy of your transcript showing that a bachelor’s degree has been confirmed.
4.) Current Student Aid Report (SAR) or letter from Federal Student Aid or the community college financial aid officer stating why you are not eligible for a Pell grant (i.e., defaulted on a student loan, etc.).

Additional Financial Aid Information:

We are here to assist you with academic advisement and your educational costs. In addition to the scholarship, you may receive financial assistance in many different forms:

- **Pell Grants (Pell)** are awarded by the federal government to those students who are found eligible after completing the FAFSA. A Pell Grant is applied directly to your student account and does not have to be repaid.
- **Supplemental Educational Opportunity Grants (SEOG)** are federal grants administered by the college. The SEOG is applied directly to your student account and does not have to be repaid. Students who complete the FAFSA by March 1 and who are eligible for a Pell Grant have first priority for the SEOG. Eligibility is determined by the results of the FAFSA.
- **Oklahoma Tuition Aid Grants (OTAG)** are grants awarded by the State of Oklahoma. Eligibility is determined by the results of the FAFSA and by the OTAG residency requirements. OTAG is applied directly to the student's account and does not have to be repaid. Students must complete and submit the FAFSA by March 1 to be considered for OTAG.
- **Student Loans** (Stafford and Perkins) and **parent loans** (PLUS) are funds provided by the federal government that must be repaid. Scholars are advised not to accept a student loan.

The most important thing for you to do is to complete and submit your FAFSA as soon as possible after January 1. Students are automatically considered for the Pell Grant, SEOG, and OTAG when they complete and submit their FAFSA. How early you apply can make the difference in whether you receive a SEOG and/or an OTAG award. These funds are limited, which is why it is so important to complete and submit your financial aid application in a timely manner. Students are encouraged to apply by March 1 at the latest for best consideration. The best plan is to fill out your FAFSA as soon as possible after January 1; however, doing so does not guarantee an award.

Important things to remember:

- Apply for FAFSA online at www.fafsa.ed.gov
- File your FAFSA every year as soon as possible after January 1.
- Respond promptly to all requests for additional information you receive about your FAFSA, your SAR, financial aid, state grants and scholarships, and your application to college.
- Keep a copy of all applications and documents you file.
