PROPOSED RULES:
   Subchapter 1. Academic Scholars Program
   610:25-1-5. Criteria for Annual Renewal [AMENDED]
   610:25-1-7. Fiscal Aspects of the Program [AMENDED]

SUMMARY:
   The proposed rule changes address the following issues:
   Summer Awards: The proposed revisions clarify that students may receive a full-semester award
   during the summer if the student enrolls full-time in at least 12 semester credit hours. The summer award
   will count toward the student’s overall scholarship limit of eight full-time semester awards, so no
   additional fiscal impact to the program is expected. The proposed change will accommodate those
   students capable of completing their undergraduate degree in less than four calendar years. The proposed
   change also recognizes alternate semester structures such as the trimester system at the University of
   Science and Arts of Oklahoma (USAO) which provides three equal trimesters each academic year
   allowing students to earn 36 credit hours or more per year.
   Clarification of Institution Tuition Waiver Award: State system colleges and universities are required
   to provide program participants a tuition waiver award in addition to the cash award paid by the program.
   The proposed revision clarifies that the combined amount of the program award and the institution tuition
   waiver may not exceed the average costs of tuition and fees, room and board, and required textbooks or
   materials.
