(c) Students in the program graduating high school in 2010 and thereafter must complete the following 17-unit core curriculum with a minimum 2.50 grade-point-average (GPA) on a 4.00 grading scale, by the time they graduate from high school. For the purpose of calculating the required core curriculum GPA, core courses in English, lab science, mathematics, history and citizenship skills, foreign or non-English language, computer technology, or "additional" subject areas must be transcribed with a letter grade that has a corresponding numerical value. If the school district assigns a course a grade of "pass" without a numerical value, the OSRHE will assign a letter grade of "D" or the lowest passing grade that the high school assigns to courses. If the required one unit, year, or set of competencies in fine arts (music, art, or drama) or speech is fulfilled on a pass/fail or competency basis, the course(s) will be accepted and excluded from the required core curriculum GPA calculation.

(1) Four units, or years, of English (grammar, composition, literature; should include an integrated writing component);

(2) Three units, or years, of lab science (biology, chemistry, physics, or any lab science certified by the school district; general science with or without a lab may not be used to meet this requirement);

- (3) Three units, or years, of mathematics (Algebra I, Algebra II, geometry, trigonometry, math analysis, pre-calculus, statistics and probability [must have completed geometry and Algebra II], calculus, Advanced Placement Statistics);

 - (5) Two units, or years, of a foreign or non-English language (both units, or years, of the same language), or Two units, or years, of computer technology (courses in programming, hardware, and business computer applications such as word processing, databases, spreadsheets and graphics will qualify; keyboarding and typing classes do not qualify);
 - (6) One additional unit, or year, of subjects listed above, or any Advanced Placement course except AP courses in applied fine arts (art history and music theory will count; studio art courses will not count);
 - (7) One unit, year, or set of competencies of fine arts (music, art, or drama) or speech.
- (d) The program curricular requirements for English, science, mathematics, history and citizenship skills are identical with the curricular requirements for college admission set by the OSRHE. Any change by the OSRHE to the curricular requirements for college admission shall also apply to the program curricular requirements.
- (e) Advanced students who complete core courses in earlier grades will not be required to take additional courses for purposes of the requirements of this program.
- (f) Strict parameters regulate the substitution of applied courses (OSRHE policy on Institutional Admission and Retention).
- (g) Exceptions to the required core curriculum will be considered according to the following:
- (1) Students attending schools, or homeschool students participating in other educational programs, which do not offer all the core curriculum courses will be allowed to satisfy the requirements subject to the following provisions:
 - (A) Core curriculum requirements which are also required for regular college admission (OSRHE policy on Institutional Admission and Retention) will be subject to the OSRHE Policy on Remediation and Removal of High School Curricular Deficiencies.
 - (B) Any other core curriculum requirements must be satisfied during the first twenty-four (24) hours of college coursework. Any exceptions to the twenty-four (24) hour limitation must be requested in writing and shall be subject to approval by the Chancellor.
 - (2) Students who have documented proficiency in a non-English language equivalent to at least two (2) units of high school study may be exempted from the requirement of two (2) units of a foreign or non-English language.
 - (3) Any other requests for exceptions to the core curriculum requirement must be submitted in writing to the Chancellor. Upon approval of the exception, the student may be eligible for program benefits; provided, such approval may require the satisfaction of any core curriculum requirements omitted in high school or other educational program.
- (h) Students must attain a minimum 2.50 cumulative GPA on a 4.00 grading scale for all work attempted in grades nine through twelve.
- (i) Homeschool students and students graduating from a high school not accredited by the State Board of Education must achieve a composite score of 22 or higher on the ACT test or the

equivalent SAT test score. Only ACT and SAT test scores reported on an official test report issued by ACT from tests-administered on national test dates prior to the student's high school graduation will be considered. Scores from ACT residual tests will not be considered. SAT test scores will be considered in a manner comparable to ACT test scores.

- (a) Eligible students enrolled at an institution in The Oklahoma State System of Higher Education shall have an award equivalent to their undergraduate resident nonguaranteed tuition paid to the institution on the student's behalf by an allocation from the Oklahoma Higher Learning Trust Fund [70 O.S. § 3953.1];

Comparability of institutions shall be determined by the OSRHE;
- (c) Eligible students enrolled in a postsecondary career technology program that meets the requirements to be eligible for federal student financial aid and is offered by a technology center school supervised by the State Board of Career and Technology Education through a cooperative agreement between a public technology center and an institution of The Oklahoma State System of Higher Education shall have an award equivalent to tuition paid, not exceeding the average amount the student would have received for comparable enrollment at a two-year institution within The Oklahoma State System of Higher Education, to the school or institution on the student's behalf by an allocation from the Oklahoma Higher Learning Access Trust Fund;
- (d) Funds shall be transferred by the OSRHE from the Oklahoma Higher Learning Access Trust Fund to the institution in which the student is enrolled. No funds shall be paid directly to the student;
- (e) Payment will not be allowed for courses taken in excess of those required for a baccalaureate degree;
- (f) Beginning with students graduating high school in 2017-2018 and thereafter, payment will be limited to 129 semester credit hours, or the equivalent, except as provided in the following. Students enrolled in a baccalaureate degree program that requires in excess of 129 semester credit hours or the equivalent, may receive payment for the number of semester credit hours required by the degree program. Students without a baccalaureate degree who are enrolled in a first professional degree program that does not require completion of a baccalaureate degree and that requires in excess of 129 semester credit hours or the equivalent, may receive payment for the number of semester credit hours required by the degree program up to a maximum of 150 semester credit hours or the equivalent. The Chancellor may approve exceptions to the limit for extraordinary or hardship circumstances including, but not limited to, sickness and injury.
- (g) Students will be eligible for the benefits outlined in this policy for five (5) years from the first date of postsecondary enrollment.  - (i) Students who have previously received awards shall have priority over students applying for initial awards;
 - (j) The Oklahoma State Regents for Higher Education shall take into consideration other grants and scholarships received by an eligible applicant when making awards [70 O.S. § 2604]. Award recipients may not receive financial aid in excess of his/her cost of attendance as determined by the institution in which the student is enrolled. The cost of attendance determined by the institution shall be consistent with regulations for federal Title IV student financial aid programs. If necessary, an award shall be reduced by an amount which makes the student's total financial aid equivalent to the student's identified cost of attendance.
 - (k) Beginning with the 2018-2019 academic year, an award shall not include payment for non-credit remedial courses.
 - (l) If a student withdraws from a class in which he or she has received an award from the Oklahoma Higher Learning Access Program, the awarded funds shall be returned to the Oklahoma Higher Learning Access Program. This provision shall only apply to awarded funds when the student withdraws prior to the end of the add/drop period for the session in which the student is enrolled.
