Grant and Scholarship Programs Administered by the Oklahoma State Regents for Higher Education

Oklahoma's Promise (Oklahoma Higher Learning Access Program)

Annual Award: Resident tuition

Contact for applications: Oklahoma State Regents www.okpromise.org or 800.858.1840 or 225.9152 in the Oklahoma City area

Oklahoma's Promise is a program for residents of Oklahoma who complete a specific high school curriculum, achieve at least a 2.5 GPA in the curriculum and overall, and abide by certain conduct standards. The student, whose family income may not exceed \$50,000, must apply for the program during the 8th, 9th or 10th grade year [homeschool students must be 13, 14 or 15]. Additional income restrictions apply when the student begins college.

Oklahoma Tuition Aid Grant (OTAG)

Maximum Annual Award: The lesser of 75% of enrollment costs or \$1,000 for students attending public colleges, universities, or career technology centers and \$1,300 for students attending eligible private non-profit colleges and universities.

Contact: Oklahoma State Regents' Oklahoma Tuition Aid Grant Program 405.225.9456 or toll-free at 877.662.6231 or e-mail to otaginfo@otag.org

OTAG is a need-based program for residents of Oklahoma who need financial assistance to meet part of the cost of attending college. The grant may be used at public, private non-profit or career technology institutions in Oklahoma. While applications are accepted throughout the year, for best consideration application should be made as early as possible after January 1 through the Free Application for Federal Student Aid (FAFSA). The FAFSA can be completed on-line at www.fafsa.ed.gov. It is important to apply early. Typically, OTAG receives more eligible applications than can be awarded with available funds, and how early a student applies can be the deciding factor in whether that student is offered an OTAG award.

Oklahoma Tuition Equalization Grant (OTEG)

Maximum Annual Award: \$2,000

Contact: Oklahoma State Regents 405.225.9456 or toll-free at 877.662.6231 or e-mail to otaginfo@otag.org

OTEG is a need-based program for full-time undergraduates who are Oklahoma residents attending eligible Oklahoma private non-profit colleges and universities. Family income must be under \$50,000. Students to be awarded are selected and notified by their institution.

Academic Scholars Program

Maximum Annual Award: \$5,500

Contact: Oklahoma State Regents 800.858.1840 or 225.9239 in the Oklahoma City area

The Academic Scholars Program is a scholarship awarded to Oklahoma residents who score in the 99.5 percentile on the ACT or SAT exam. It is also awarded to resident and nonresident students who have been designated as a National Merit Scholar or Finalist, Presidential Scholar or Institutional Nominee. However, non-resident participation is limited. The award can be used at public or private institutions in Oklahoma and includes a partial or full tuition waiver at Oklahoma public institutions.

Future Teachers Scholarship

Maximum Annual Award: \$1,500

Contact: Oklahoma State Regents 800.858.1840 or 225.9239 in the Oklahoma City area

The Future Teachers Scholarship was created as an incentive to encourage the preparation of Oklahoma public school teachers in critical subject shortage areas. Applicants are nominated annually by institutional officials. Awardees must agree to teach for three years in Oklahoma public high schools.

Regional University Baccalaureate Scholarship

Maximum Annual Award: \$3,000

Contact: College Financial Aid Office

The Regional University Baccalaureate Scholarship was created to enable public regional universities to provide scholarships to academically promising Oklahoma students. Eleven regional universities participate in the program (UCO, ECU, NSU, NWOSU, SEOSU, SWOSU, CU, LU, OPSU, USAO, and RSU). Each institution is allowed to nominate 15 new freshmen each year. A minimum ACT score of 30 is required.

TUITION AND FEE POLICY

4.18 STUDENT TUITION AND FEES

4.18.1 Constitutional and Statutory Provisions for the Coordination of Higher Education Tuition and Fees

- A. Article XIII-A of the Constitution of the State of Oklahoma provides for the establishment of The Oklahoma State System of Higher Education (herein after referred to as The State System) and for the Oklahoma State Regents for Higher Education (herein after referred to as the State Regents) as a “coordinating board of control” for all institutions in The State System. Among those specific powers enumerated in the Constitution which are vested in the State Regents is the power to recommend to the Legislature proposed fees for all institutions in The State System within limits prescribed by the Legislature.
- B. Title 70, O. S. 2005 Supp., § 3218.2, further recognizes the authority of the State Regents to prescribe and coordinate student fees and tuition at institutions in The State System. By January 1 of each year, the State Regents shall submit a report to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the minority floor leaders and education committee chairs of both houses of the Oklahoma Legislature, of action taken in regard to and the schedule of tuition and fees approved for the current academic year. The annual report shall include data on the impact of any tuition and fee increases on the ability of students to meet the costs of attendance, enrollment patterns, availability of financial aid, and any other data considered relevant by the State Regents.
- C. Title 70, O. S. 2005 Supp., § 3218.8, authorizes the State Regents to establish nonguaranteed undergraduate resident and nonresident tuition and mandatory fees and guaranteed undergraduate resident tuition and mandatory fees, which students shall pay as a condition of enrollment, except as otherwise provided by law. At the research universities the combined average of the resident tuition and mandatory fees established for any school year for the nonguaranteed rate, as determined by the State Regents, shall remain less than the combined average of the resident tuition and mandatory fees at state-supported institutions of higher education that are members of the Big Twelve Conference. The combined average of undergraduate nonresident tuition and mandatory fees established for any school year for either the guaranteed or nonguaranteed rate, as determined by the State Regents, shall remain less than one hundred and five (105) percent of the combined average of the nonresident undergraduate tuition and

mandatory fees at the state-supported institutions of higher education that are members of the Big Twelve Conference. At the regional universities and community colleges, the combined average of the resident undergraduate tuition and mandatory fees established for any school year for the nonguaranteed rate, as determined by the State Regents, shall remain less than the combined average of the resident undergraduate tuition and mandatory fees at like-type state-supported institutions of higher education in states determined by the State Regents that include, but are not limited to, those adjacent to Oklahoma. The combined average of the nonresident undergraduate tuition and mandatory fees, as determined by the State Regents, shall remain less than one hundred and five (105) percent of the combined average of the nonresident undergraduate tuition and mandatory fees at like-type state-supported institutions of higher education in states determined by the State Regents that include, but are not limited to, those adjacent to Oklahoma. In its deliberation on the establishment of resident tuition rates for undergraduate and graduate education, the State Regents shall balance the affordability of public higher education with the provision of available, diverse, and high-quality learning opportunities, giving consideration to the level of state appropriations, the state economy, the per capita income and cost of living, the college-going and college-retention rates, and the availability of financial aid in Oklahoma. For any increase in the tuition rates, the State Regents shall demonstrate a reasonable effort to effect a proportionate increase in the availability of need-based student financial aid which shall include, but shall not be limited to, awards for the Oklahoma Higher Learning Access Program, Oklahoma Tuition Aid Grants, federal need-based financial aid and tuition waivers, and private donations. In addition, when determining the guaranteed tuition rates, the Regents shall consider the anticipated revenue needs during the four-year period of the guarantee.

- D. Title 70 O. S. 2007, Supp., §3218.8D authorizes institutions within The State System of Higher Education to offer to resident students enrolling for the first time as a full-time undergraduate a tuition rate that will be guaranteed for a period of not less than four (4) consecutive academic years at the comprehensive and regional institutions, or the normal time-to-completion period of the program as determined by the institution if greater than four (4) years. Students shall have the option to participate or not participate in the guaranteed tuition rate program and shall indicate their election at the time of enrollment. Prior to their enrollment, each institution shall provide students with the annual tuition rate charged and the percentage increase for the previous four (4)

academic years and the annual tuition and percentage increase that the nonguaranteed tuition rate would have to increase to equal or exceed the guaranteed tuition rate for the succeeding four (4) academic years. The guaranteed rate of undergraduate resident tuition charged to the student shall not exceed the amount charged at the time of first enrollment, nor shall it exceed one hundred and fifteen percent (115%) of the nonguaranteed tuition rate charged students at the same institution.

- E. Title 70, O. S. 2005 Supp., § 3218.9, authorizes the State Regents to establish resident and nonresident tuition and mandatory fees for graduate and professional courses and programs which shall remain less than the combined average of tuition and mandatory fees for like-type graduate and professional courses and programs of comparable quality and standing at state-supported institutions of higher education as determined by the State Regents. Professional courses and programs include, but are not limited to, law, medicine, veterinary medicine, optometry, pharmacy, and dentistry.
- F. Title 70, O. S. 2005 Supp., § 3218.10, authorizes governing boards of institutions within The State System to establish academic services fees at their respective institutions, with the approval of the State Regents, which may be required in addition to resident and nonresident tuition and mandatory fees. Such fees shall not exceed the actual costs of the academic services provided by the institution and may include, but shall not be limited to, special instruction, testing, and provision of laboratory supplies and materials. It is the intent of the Legislature that the State Regents maintain information on established mandatory fees authorized in Title 70, O. S. 2005 Supp., § 3218.8 and 3218.9 and on the academic services fees authorized in this section. The information shall include, but shall not be limited to, the basis for the amount of the fee, the amount of total revenue to be collected from the fee, and the use of the revenue collected.
- G. Title 70, O. S. 2005 Supp., § 3218.12, authorizes the State Regents to contract for, charge, collect, receive, and use any and all fees, tuition, charges, grants, and allowances available through the United States Veterans Administration, or any other federal agency for the education and training of veterans, establish a system of student tuition and fee waiver scholarships for use at each institution of The State System, establish an educational assistance program utilizing state institutional matching funds when federal student loan programs require it, and establish a program for payment of tuition and fees by consumer credit card.
- H. Title 70, O. S. 2005 Supp., § 3218.14, authorizes the State Regents to review and consider requests submitted by institutions, constituent agencies, and/or their governing boards for tuition and

fees, within the limits established by law, to be charged as a condition of enrollment at each institution or constituent agency. If appropriate, the State Regents may approve the recommendations.

- I. Title 70, O. S. 2005 Supp., § 3218.15, requires the State Regents to maintain for public inspection all reports submitted by institutions to the United States Department of Education regarding tuition and fees of institutions that receive federal funds. In addition, this section requires each institution in The State System that receives federal funds to submit the Integrated Postsecondary Education Data System Report annually to the Department of Education reflecting the average annual tuition and fees charged to its students.
- J. Title 70, O. S. § 4004(a)(6) (2001), authorizes the State Regents to set fees for use of buildings and facilities financed by institutional governing boards through revenue bonds, within limits established by law, on behalf of any higher education institution in The State System. The fees will be used for the repayment of principal and interest toward the retirement of the revenue bonds as authorized by appropriate provisions in the resolution(s) authorizing the bonds.

4.18.2 Definitions

- A. The following words or terms, when used in this subchapter, shall have the following meaning, unless the concept clearly indicates otherwise.
 - 1. Fees. Those fees assessed students in addition to resident and nonresident tuition as a condition of enrollment.
 - a. Academic Services Fees. Fees assessed certain students as a condition of enrollment and as a condition of academic recognition for completion of prescribed courses. Such fees are assessed students receiving certain courses of instruction or certain academic services as designated by the institution and shall not exceed the actual costs of the course of instruction or the academic services provided by the institution. These services may include, but shall not be limited to, special instruction, testing, and provision of laboratory supplies and materials.
 - b. Contract Credit Course Fee. A separate special fee, up to full cost, assessed for delivery of credit courses and programs with business, industry, and governmental entities.
 - c. Mandatory Fees. Fees required of all students for enrollment to receive instruction at an institution of The State System. Such fees shall be used to support the mission of the institution and shall

support service facilities, such as student unions, health care infirmaries, recreational facilities, for any lawful purpose to enhance quality of student life including, but not limited to, facility debt service, student scholarships, student awards, travel, entertainment, guest speakers, and student organizations, or for any academic purpose or service as designated by the institution including, but not limited to, assessment fees and library resources fees. The State Regents shall maintain information on established mandatory fees, which shall include, but shall not be limited to, the basis for the amount of the fee, the amount of total revenue to be collected from the fee, and the use of the revenue collected.

2. Tuition. Payment required of an individual for enrollment to receive instruction at an institution of The State System. Tuition is payment in addition to fees that may be required, as defined above in Section A.
 - a. Nonresident Tuition. Payment required of an individual who is neither a resident of the state of Oklahoma nor qualified for resident tuition under the provisions of Title.70, O.S. 2005 Supp., § 3242, for enrollment to receive instruction at an institution of The State System. Nonresident tuition is payment in addition to fees as defined above in Section A.
 - b. Resident Tuition. Payment required of an individual who is either a resident of the state of Oklahoma or qualified for resident tuition under the provisions of Title 70, O. S. 2005 Supp., § 3242, for enrollment to receive instruction at an institution of The State System. Resident tuition is payment in addition to fees as defined above in Section A. The definition of a resident student can be found in State Regents' Policy on Academic Affairs.

4.18.3 Approval of Tuition and Fees

- A. The State Regents will annually, at a minimum, monitor and publish limits on tuition and mandatory fees at peer institutions. The information, published in a timely fashion, will show the level of tuition and mandatory fees at each institution in Oklahoma and the maximum possible increase for the next academic year.
- B. Institutions will submit requests for authorization to change tuition and fees to the State Regents. Requests for changes in tuition and fees require institutional governing board approval and will normally be considered by the State Regents one time each year.

Requests for a change in academic services fees must be received in the State Regents' office by February 1 preceding the beginning of the fiscal year, July 1, in which the change is to be effective. Each institutional request for tuition and mandatory fees should be accompanied by documentation on the following items:

1. communication of tuition and fee requests to student government organizations, other student groups, and students at large
 2. efforts to increase need-based financial aid proportionately to tuition
 3. statement of the expected effect of tuition and fee increases on enrollment
 4. dedication to cost-effectiveness in operations
- C. Tuition and mandatory fees for students enrolled in courses and programs at the Ardmore Higher Education Program in Ardmore shall be less than the average tuition and mandatory fees at peer institutions for the regional universities, as determined by the State Regents. Tuition and mandatory fees shall be approved by the State Regents with the advice of the participant institutions and the board of trustees of the higher education program. The State Regents shall determine the proportionate distribution of revenue from the tuition and mandatory fees between the participant institutions or other institutions offering courses and the higher education program. Participant institutions and the trustees of the higher education program may request academic services fees to be charged to students enrolled at the higher education program.
- D. The State Regents will assist in preparation and dissemination of guidelines for students and student groups to inform themselves about the process and issues and to provide input both at the campus level and to the State Regents.
- E. The State Regents will hold a public hearing on proposed changes in tuition and fees at least twenty (20) days prior to the effective date of the increase.
- F. The State Regents will give public notice of any increase in tuition and fees at least thirty (30) days prior to the effective date of the increase.
- G. By January 1 of each year, the State Regents will submit a report to the Governor, the President Pro Tempore of the Senate, the Speaker of the House of Representatives, and the minority floor leaders and education committee chairs of both houses of the Oklahoma Legislature of the actions taken in regard to and the schedule of tuition and fees approved for the current academic year for The State System, with due regard for the provisions of 70 O. S. § 3218.14 (2001). The annual report shall include data on the impact of any tuition or fee increases on the ability of students to meet the costs of attendance, enrollment patterns, availability of

financial aid, and any other data considered relevant by the State Regents.

4.18.4 General Policies

- A. Assessment and Waiver of Tuition and Fees. Resident and nonresident tuition and fees may be neither assessed nor waived unless authorized by general policy or by specific authorization of the State Regents.
- B. Publication of Fee Schedule. Each institution shall publish a schedule annually of all tuition and fees charged.
- C. Contract Credit Course Fee. A special Contract Credit Course Fee is established in 70 O. S. § 3219.3 (2001). This section authorizes the State Regents to establish special fees for delivery of courses and programs to governmental entities, including, but not limited to, the military, profit and nonprofit associations, corporations, and other private entities in an amount sufficient to cover the cost of delivery of such courses and programs. This fee allows universities and colleges to negotiate a separate special fee, up to full cost, for delivery of credit courses with business, industry, and governmental entities. If the institution negotiates a special fee, the assessment and collection of additional fees from students (resident or nonresident tuition, mandatory fees, and academic services fees) shall be waived. This policy provision authorizes any institution to assess charges up to the cost of delivery of the course.
 1. Contract Fees for Nonresident Students at the Oklahoma State University College of Veterinary Medicine. The following will guide Oklahoma State University in negotiating contracts with state governments for the support of nonresident students at the OSU College of Veterinary Medicine.
 - a. Nonresident students admitted to the College of Veterinary Medicine will be those whose state of residence contracts with Oklahoma State University for payment of a nonresident charge based on the actual direct cost of instruction for the year period to the beginning of the contract period divided by the number of Oklahoma residents enrolled full-time in the college. This is the contract fee for nonresident students.
 - b. Although contract students are exempt from the nonresident enrollment restrictions, the total number of contract students cannot exceed the amount that would cause the College of Veterinary Medicine to increase its indirect, non-instructional fixed costs. (See State Regents' Criteria and Standards for Admission of First-Year-Entering Students and

Transfer Students to reference the twenty percent (20%) limit on nonresident student enrollment.)

- c. The contract fee for nonresident students will be re-negotiated in contracts with other states biennially, based on the College budget of the previous year.
- d. Nonresident students enrolled in the College whose state of residence does not sign a new contract will be permitted to complete the DVM degree program at a charge equal to the contract fee paid by states having contracts in effect, plus the regular enrollment fee.

D. Disposition of Revenue Received from Tuition and Fees

- 1. Tuition and Academic Services Fees. Revenue derived from resident and nonresident tuition and academic services fees shall be deposited to the institution's Fund 290 revolving fund or may be deposited to the institution's Fund 295 or clearing account and then transferred to the institution's Fund 290 revolving fund.
- 2. Mandatory Fees. Revenue derived from mandatory fees shall be deposited to the institution's Fund 290 revolving fund or the Agency Special Account (Fund 700) revolving fund, as appropriate, or may be deposited to the institution's Fund 295 or clearing account and then transferred to the institution's Agency Special Account (Fund 700) revolving fund.
- 3. Expenditure of Student Fee Revenue. Institutions that charge students special fees for library materials and services, classroom and laboratory materials, or technology must ensure that the revenues are spent for the approved purpose of the fee. Likewise, to the extent possible, traditional E&G support for the above and similar purposes should not be diminished as a result of student fee revenue.

E. Assessing Tuition and Mandatory Fees. Resident and nonresident tuition and mandatory fee charges at institutions in The State System shall be based upon the academic level of the course, with the exception of certain professional programs. Institutions shall assess resident and nonresident tuition and mandatory fee charges based upon those course numbers appearing in the official catalog or bulletin. The following definitions and procedures shall be used to determine the level of tuition and mandatory fee charges.

- 1. Undergraduate. Courses numbered in the "1000 and 2000" (lower division) and "3000 and 4000" (upper division) series shall be classified as undergraduate courses for determining resident and nonresident tuition and mandatory fees charges. In addition, those developmental courses at the "less than 1000" level that normally do not carry

collegiate credit shall be classified as undergraduate courses for resident and nonresident tuition and mandatory fees purposes.

2. Graduate. Courses offered by research and regional universities designated at the “5000” level and above shall be classified as graduate courses for resident and nonresident tuition and mandatory fees purposes.
- F. Collection of Tuition and Fees. Tuition and fees are due prior to the first day of class. Each institution shall establish and publish a deadline when tuition and fees are payable, after which payment may be subject to a late charge. Late payment will require payment in full as well as be subject to late payment charges in an amount determined and published by the institution.
- G. Refunds of Tuition and Fees. The refund policy for tuition and fees collected from students at institutions shall be as follows
1. Withdrawals and Changes of Enrollment. Changes in schedules and complete withdrawals from the institution during the defined add/drop period will result in full charges for courses added and full credit for courses dropped. No refunds will be made after the add/drop period for that session.
 2. Return of Title IV Funds for Students Who Cease Attendance. Title 20 U. S. C. § 1091(b), as amended by Section 485 of the Higher Education Amendments of 1998, Public Law 105-244, enacted October 7, 1998, requires that, if a recipient of Title IV grant or loan funds withdraws from an institution after beginning attendance, the amount of Title IV HEA program assistance earned by the student must be determined. If the amount of assistance disbursed to the student is greater than the amount the student earned, unearned funds must be returned. If the amount of assistance disbursed to the student is less than the amount the student earned, the student is eligible to receive a late disbursement in the amount of the earned aid that the student had not received. Each institution shall develop and publish policies and procedures that are in compliance with the above referenced law. Reference: [Federal Register: November 1, 1999 (Vol. 64, Number 210)] and 34 CFR, Parts 668, 682, and 685.
 3. Tuition and Fees Applicable Only for Current Semester. Tuition and fees are applicable only for the current semester. If a student withdraws and is entitled to a refund, the amount of the refund cannot be carried forward as a credit to a subsequent session.
 4. Refunds for Classes Offered on a Non-Standard Schedule. Institutions may refund tuition and fees paid by a student

who must withdraw from a course offered on a schedule that differs from the standard 16-week term or 15-week trimester. Each institution may develop refund procedures for courses offered on a non-standard schedule.

- H. Refund of Tuition and Fees for Students with Hardship Circumstances. Institutions may refund tuition and fees paid by a student who must withdraw from the institution due to hardship or extraordinary circumstances. Each institution may develop institutional policy to address the definition of hardship or extraordinary circumstances and refund procedures.
- I. Refund of Tuition and Fees for Students Called to Active Military Service. If a student is called to active military service during a term in which the student has not completed an amount of work sufficient to receive a grade, the institution may refund the tuition and fees paid by the student for the current term or the institution may waive the amount of tuition and fees paid from the amount owed for tuition and fees for a future term following the student's tour of duty.
- J. Tuition and Fees Relating to Course Audits. Students permitted to audit courses shall pay the same resident and nonresident tuition, mandatory fees, and academic services fees as required of students who enroll for credit.
- K. Guaranteed Tuition Rate Program Relating to Withdrawal, Transfers, Change of Major, and Full-Time Enrollment.
 - 1. Withdrawal. If a student who has elected to participate in the guaranteed tuition rate program is a member of the United States Armed Forces, including the Army and Air National Guard, the Army, Navy, Air Force, Marine Corps, and Coast Guard Reserves, or any component of the Armed Forces, and when ordered by the proper authority to active or inactive duty or service is required to withdraw from an institution for military or other national defense emergencies, the amount of resident tuition the student is required to pay upon reentering the institution shall not exceed the amount the student was charged at the time of withdrawal.
 - 2. Transfers. If a student who has elected to participate in the guaranteed tuition rate program transfers to another institution or transfers from a constituent agency of an institution to another constituent agency or the institution after initial enrollment, the student shall be charged the amount of resident tuition charged to other students enrolling for the first time at that institution or constituent agency.
 - 3. Change of Major. If a student who has elected to participate in the guaranteed tuition rate program changes

majors or transfers to another campus of the same institution after initial enrollment, the tuition charged to the student shall equal the amount the student would have been charged had the student been admitted to the changed major or enrolled at the new campus when the student first enrolled, unless the student transfers from a constituent agency of an institution to another constituent agency of the institution.

4. Full-Time Enrollment. A student who elects to participate in the guaranteed tuition rate program shall maintain full-time enrollment during the guaranteed four-year period. Full-time enrollment for each institution shall be determined by the number of credit hours as defined by the State Regents for Higher Education.

4.18.5 Waiver of Tuition

A. Resident Tuition Waiver Scholarships. Pursuant to Title 70, O. S. 2005 Supp., § 3218.12, authorizing the State Regents to establish a system of student scholarships, the following policy of resident tuition waiver scholarships is hereby authorized for each institution in The State System. Except as provided below, it is the intent of this policy to provide assistance to Oklahoma students with demonstrated financial needs and to promote excellence of scholarship throughout all of the academic and professional fields of study. It is further intended that this program provide equitably for all students at all academic levels from the freshman year through the graduate student. Also, insofar as is practicable, awards should be distributed so as to be supportive of the state's needs and demands for trained manpower in the various career and occupational areas. Finally, assistance under this program should be utilized to promote equity of treatment for those students in fields without access to funds from other student assistance programs.

1. Elements to be considered by institutions in the awarding of scholarships are financial need, scholastic aptitude and achievement, academic discipline or field of study, student activity participation, cultural diversity, and academic level. These elements shall be specifically incorporated into institutional procedures as follows:
 - a. At least fifty (50) percent of all scholarships awarded shall be on the basis of financial need of students. The criteria for determining financial need shall be determined by the institution.
 - b. Awards shall be apportioned in such a manner as to provide equity for students by academic discipline or field of study consistent with the state's educated workforce priorities and taking into consideration

- other kinds of funds available for the support of students in particular programs.
- c. Awards shall be apportioned at each institution generally in accordance with the distribution of student enrollment among the various academic levels (undergraduate or graduate division) and by student classification (freshman, sophomore, junior, senior, master, or doctoral classification).
 - d. Scholarships shall be available to students regardless of the number of credit hours in which they are enrolled, as well as to high school students who are concurrently enrolled. Tuition waiver scholarships may also be awarded to students enrolled in on-line courses and other special students.

Procedures including appropriate limitation as to the number of credit hours in a given term for which the benefit will apply shall be determined by the institution. Upon the institution’s determination that the employee’s enrollment in a course of study is primarily for the benefit of the institution, the institution may waive or reimburse the employee

for the remaining one-half of the tuition that was charged to the employee.

3. The following waivers, as noted below, shall not be included as tuition waiver scholarships awarded under the three and five-tenths (3.5) percent of the E&G Budget – Part I limitation above.

The ability to communicate course material effectively in understandable English is required of all graduate teaching assistants awarded these waivers as defined in 70 O. S. § 3224 (2001).
- e. Waiver for Exchange Students on a Reciprocal Basis. Institutions are hereby authorized to grant
